OK. Can you give me a better idea of when the near future might be? Two weeks? I am interested in seeing where this is going. And I'm still interested in moving forward with the CMS in a reasonable timeframe.

Regards,

Janette

PS – I understand complicated; apology accepted.

**Subject:** Update on Meeting

Janette:

Container Properties would like to have a more formal meeting in the near future with you, Jennifer MacDonald, David Blount, Jeff Davis, and myself. I've been asked to update them on a possible course of action now that the CO<sub>2</sub> Pilot Study is complete, and they would like to review that memo before meeting with you all.

I apologize to you for this change of plans since it is more complicated than we originally anticipated. Thanks for providing an agenda—it was helpful to share with the client.

Sincerely - John
